

# Edmonds School District STEM Expo 2020

April 27, 2020

6:00-8:00pm

Mountlake Terrace High School

## Competitors' Showcase

- Students who are participating in a judged STEM competition outside of the Edmonds School District during this school year are invited to share their projects and any recognition they've received.
- All projects must follow the Safety and Ethics Regulations linked on the STEM Expo.
- Each student or team will have a shared table for their display board unless they request more space to showcase their work.
