

Westgate Elementary School

Mission Statement of School and District

The Edmonds School District engages students, staff, families, partners and the broader community in the district's Strategic Direction. Together, along with every school, results have been identified that we want for our students. The continual improvement of our schools is essential in providing increased student performance and quality results. Innovative, exemplary, and research-based programs, coupled with professional development, focused and aligned resources, and community participation in decision making and planning are essential elements in improving schools. For more detailed information, please visit our school's improvement plan or give us a call at your convenience.

About Us

The Westgate learning community, in a cooperative setting, empowers and advocates the development of skills, knowledge and behaviors for lifelong learning in an ever-changing global society.

Our students, staff and parents work collaboratively to ensure we have a safe and well-managed school environment in which all of our students have the ability to achieve their best. We have schoolwide expectations for behavior, and we have developed positive reinforcements for these expectations to minimize disruptions to the learning environment.

Academic Accomplishments and Goals Strategic Direction Focus Areas

We will engage in focused collaboration to improve learning. We will implement strategies around student engagement. We will look for and provide feedback to enable students to construct viable arguments grounded in evidence which will lead to increased student performance.

For more detailed information, please visit our school's improvement plan or give us a call at your convenience.

How You Can Help

We have a strong and supportive community at Westgate. Our Parent Staff Organization (PSO) provides and enriches our educational opportunities by funding assemblies, programs, books and supplies, field trips, playground equipment, and art kits. Their support of our programs and all families' support of their students' education helps make Westgate a great place to learn. We welcome you to become involved in our school by becoming a volunteer. Please contact the school office if you are interested.

State Assessments

Washington students are tested annually by the state to assess their progress as they move through school. In grades 3-8 students take tests in English language arts, math and science. Please see [our School Report Card](#).

Financial Resources

Annually, we produce a Citizens Guide to the District's Budget. One of our highest priorities is being excellent stewards of our community's resources. Each year, we involve staff, students, families and community members in helping us to set budget priorities. For more information on school funding, we encourage you to refer to the [2017-18 Citizens Guide to the Budget](#).

The state provides \$8,662 per pupil to our District

About Our Building

Opened: 1958

Square footage: 44,237

Remodeled: 1989 (Modernization)

We are proud that our school facility is used extensively by our community for meetings, events and youth activities.
