

# Cedar Way Elementary School

## About Us

We continue to build a culture of high expectations, respect, responsibility, safety and service.

We work to create a learning community which fosters the development of responsible individuals who embrace the world as thoughtful, knowledgeable, skillful, contributing citizens.

## Mission Statement of School and District

The Edmonds School District engages students, staff, families, partners and the broader community in the district's Strategic Direction. Together, along with every school, results have been identified that we want for our students. The continual improvement of our schools is essential in providing increased student performance and quality results. Innovative, exemplary, and research-based programs, coupled with professional development, focused and aligned resources, and community participation in decision making and planning are essential elements in improving schools. For more detailed information, please visit our school's improvement plan or give us a call at your convenience.

## Our 562 students at a glance:

### State Assessments

Washington students are tested annually by the state to assess their progress as they move through school. In grades 3-8 students take tests in English language arts, math and science. Please see [our School Report Card](#).

### Academic Accomplishments and Goals – Focus Areas

Our goal is to implement high-leverage strategies for all learners in speaking, writing and reading. Grounded in evidence, we will see gains in the areas of English Language Arts and Math from our language learners. We will support this learning by:

- Engaging staff in understanding and implementing culturally responsive practices
- Engaging staff in strategies to support students with their social emotional growth

*Continued on Page 3*

## *Continued from Page 2*

- Engaging staff in strategies to support students that are explicitly for the support of our EL's
- Engaging students, families and staff in creating a community of learners who feel safe to be vulnerable, take risks, and work together to grow in the effective use of data for intentional instruction and goal setting. For more detailed information, please visit our school's improvement plan or give us a call at your convenience.

## How You Can Help

Our active Parent Teacher Organization works hard to support our school, staff and students. We welcome you to become involved in our school by becoming a volunteer. We have individual students who would benefit from one-to-one tutoring in basic skills. Please contact the school office if you would like to be part of our team!

## Financial Resources

Annually, we produce a Citizens Guide to the District's Budget. One of our highest priorities is being excellent stewards of our community's resources.

Each year, we involve staff, students, families and community members in helping us to set budget priorities. For more information on school funding, we encourage you to refer to the [2018-19 Citizens Guide to the Budget](#).
