

Meadowdale Elementary School

About Us

Meadowdale Elementary is committed to providing consistently high expectations for academics, behavior and social/emotional growth to prepare our students for middle school, high school, college and career, and to be productive members of a global community. Our curriculum and teaching strategies, based on the most effective researched practices, are rigorous, purposeful, and driven by student data.

Mission Statement of School and District

The Edmonds School District engages students, staff, families, partners and the broader community in the district's Strategic Direction. Together, along with every school, results have been identified that we want for our students. The continual improvement of our schools is essential in providing increased student performance and quality results. Innovative, exemplary, and research-based programs, coupled with professional development, focused and aligned resources, and community participation in decision making and planning are essential elements in improving schools. For more detailed information, please visit our school's improvement plan or give us a call at your convenience.

State Assessments

Washington students are tested annually by the state to assess their progress as they move through school. In grades 3-8 students take tests in English language arts, math and science. Please see [our School Report Card](#).

Academic Accomplishments and Goals – Focus Areas

In 2019-20:

If we, as staff, students, and community, in a growth mindset culture, engage in learning opportunities to study, understand, and implement strategies to support comprehensible input (SIOP Component 3) and increase student interaction (SIOP Component 5) through a PLC structure; and analyze our English Learner and Learning Support schedules while using an equity lens and culturally relevant instructional strategies, then

we will achieve academic improvement for our opportunity gap group of EL and/or Hispanic/Latinx students.

How You Can Help

Become a member of our Parent Club! Members of the club provide excellent support to our teachers and programs. We welcome you to become involved in our school by becoming a volunteer. We have individual students who would benefit from one-to-one tutoring in basic skills, as well as a wide variety of additional opportunities. Please contact the school office if you are interested, we welcome your involvement!

Financial Resources

Annually, we produce a Citizens Guide to the District's Budget. One of our highest priorities is being excellent stewards of our community's resources.

Each year, we involve staff, students, families and community members in helping us to set budget priorities. For more information on school funding, we encourage you to refer to the [2018-19 Citizens Guide to the Budget](#).
