

# Terrace Park Elementary School

## About Us

At Terrace Park Elementary, we are a community of diverse learners focused on each student reaching their potential. Our school houses a unique combination of school programs, including surrounding neighborhood students in kindergarten through sixth-grade and the Edmonds School District's Highly Capable Program for students in first grade through sixth grade.

We believe that all students are capable of achieving high academic expectations, becoming caring individuals, and growing into productive, powerful thinkers and communicators. The Terrace Park Community believes that all students can be socially and emotionally aware citizens, critical and reflective thinkers, and mindful communicators while achieving their highest academic potential.

Principal: Mary Freitas | Assistant Principal: Jimmy Nguyen

## Mission Statement of School and District

The Edmonds School District engages students, staff, families, partners and the broader community in the district's Strategic Direction. Together, along with every school, results have been identified that we want for our students. The continual improvement of our schools is essential in providing increased student performance and quality results. Innovative, exemplary, and research-based programs, coupled with professional development, focused and aligned resources, and community participation in decision making and planning are essential elements in improving schools. For more detailed information, please visit our school's improvement plan or give us a call at your convenience.

### Academic Accomplishments and Goals – Focus Areas

Terrace Park School includes the students in the neighborhood school of Terrace Park Elementary and students identified as Highly Capable in Challenge Elementary from the Edmonds School District. Both schools work together and are considered Terrace Park School. Our collective mission is to equitably provide a culturally receptive environment with intentional, responsive academic and social-emotional learning opportunities. Together we will monitor, support, and celebrate each student’s growth. We believe all students can be socially and emotionally aware citizens, critical and reflective thinkers, and mindful communicators while achieving their highest academic potential. Our focus this year is

## *Continued from Page 2*

to learn about and implement higher level questioning strategies and student discussion techniques and we believe this will lead to increased engagement of students in class discussions and stronger reading comprehension.

## How You Can Help

We believe family involvement is key in the education of our students. We have a strong community at Terrace Park and our school receives great support from our Parent Teacher Association (PTA) and Challenge Parent Association (CPA). Their support enriches our educational opportunities by funding assemblies, after-school programs, books, supplies, art materials, field trips and playground equipment. Parents play an important part in all that we do, making Terrace Park a great community of learners. We welcome you to become involved in our school by becoming a volunteer. Please contact the school office if you are interested, we would welcome your help!

## Financial Resources

Annually, we produce a Citizens Guide to the District's Budget. One of our highest priorities is being excellent stewards of our community's resources. Each year, we involve

staff, students, families and community members in helping us to set budget priorities. For more information on school funding, we encourage you to refer to the [2018-19 Citizens Guide to the Budget](#).
