

Hazelwood Elementary School

About Us

“The Hazelwood Way” specifies behavioral expectations for our community: We are a community of learners. We are kind. We are safe. We are responsible.

WE ARE HAZELWOOD!

Our school hosts three district special education programs: one for visually-impaired students and two “intensive support” programs. These programs are an important part of our diverse school community and they provide our students with engaging and rich learning opportunities.

Mission Statement of School and District

The Edmonds School District engages students, staff, families, partners and the broader community in the district’s Strategic Direction. Together, along with every school, results have been identified that we want for our students. The continual improvement of our schools is essential in providing increased student performance and quality results. Innovative, exemplary, and research-based programs, coupled with professional development, focused and aligned resources, and community participation in decision making and planning are essential elements in improving schools. For more detailed information, please visit our school’s improvement plan or give us a call at your convenience.

State Assessments

Washington students are tested annually by the state to assess their progress as they move through school. In grades 3-8 students take tests in English language arts, math and science. Please see [our School Report Card](#).

Academic Accomplishments and Goals – Focus Areas

Through our Cycle of Inquiry, i-Ready measurements, and data analysis, we recognize there is still an achievement gap between our students with IEPs and our students without IEPs. Based on staff surveys, attendance reports, and the District Family Survey, we will work to address this gap. Therefore, in 2020-2021, Hazelwood leadership and staff will collaborate to identify and remove barriers for student learning by refining schoolwide systems; aligning academic and SEL instruction; and facilitating active engagement for students and families so that students will show academic growth. In doing this, we strive to

raise the achievement of all students while narrowing the gap and disproportionality that exists between our highest and lowest performing students.

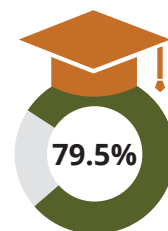

For more detailed information, please visit our school's improvement plan or give us a call at your convenience.

How You Can Help

We have a supportive PTA, including a successful Watch D.O.G.S. (Dads of Great Students) program, which is a father-involvement initiative. We welcome you to become involved in our school by becoming a volunteer. We have individual students who would benefit from one-to-one tutoring in basic skills, as well as many other volunteering opportunities. Please contact the school office if you are interested in joining the Hazelwood Soaring Eagles family!

Our Goals

We are setting our sights on our strategic plan for the next five years to focus on the following:

- Equity
- Engagement
- Excellence

Edmonds School District

Financial Resources

Annually, we produce a Citizens Guide to the District's Budget. One of our highest priorities is being excellent stewards of our community's resources.

Each year, we involve staff, students, families and community members in helping us to set budget priorities. For more information on school funding, we encourage you to refer to the [2019-20 Citizens Guide to the Budget](#).
