**Edmonds School District**  
**High School Chromebook Damage/Loss Program and Voluntary Summer Take Home Program**  
**2018-2019 School Year**

The educational program at your student's school includes a Chromebook that will be issued to your student for their use at school and home. We are very excited to be able to make these powerful tools available to our students. We also understand that both students and parents are concerned about keeping these tools secure and in good working order.

Like textbooks, team uniforms, and other school property issued to your student, there is a responsibility to take appropriate care of these valuable resources. The Chromebook is no different, but it does represent an increased cost to the District and liability to students and parents. We know accidents and loss happen. District policies, regulations, and practices require a fine to be levied to cover the repair or replacement cost of District property. With computing devices, like Chromebooks, the cost of damage or loss can be significant.

The District has developed the Chromebook Damage/Loss and Summer Take Home Programs as a way for families to reduce the financial risk if a Chromebook is accidentally damaged, stolen, vandalized, or lost. Participation in these programs is completely voluntary.

**SUMMER STUDENT SUPPORT:** Student Chromebook tech support will be provided Monday – Friday (excluding holidays) from 9:00 AM – 3:00 PM at the following location: Edmonds School District, Technology Department, 20420 68th Ave W, Lynnwood, WA 98036. Call the following number for telephone support and/or to schedule an appointment at the District Office (425) 431-1211.

**SUMMER CHROMEBOOK RETURN:** If, due to unforeseen circumstances, you need to return the student Chromebook, please return it to the Student Chromebook tech support office at the following location: Edmonds School District, Technology Department, 20420 68th Ave W, Lynnwood, WA 98036. If your student leaves the District and does not return the Chromebook it will be reported as stolen. (See **THEFT** below.)

**COVERAGE AND BENEFIT:** This program covers the Chromebook loaned to your student against accidental damage, theft, vandalism, or loss for the year. This program does NOT cover intentional misuse, abuse, or neglect. If the student did not exercise proper care and/or take appropriate precautions, as described in the student handbook, and this behavior resulted in damage to, or loss of the equipment, the cost of repair or replacement will be the responsibility of the student/parent.

If the Chromebook is accidentally damaged, stolen, vandalized, or lost it will be repaired on the following **deductible schedule:**

**Deductible:**  
1st Incident: **\$0**  
2nd Incident: **\$25 (\$10 Free/Reduced)**  
3rd Incident: **Full cost of repair or replacement**

**THEFT** – If the Chromebook is stolen, the Edmonds School District will require a police report be submitted. Fraudulent reporting of theft will be turned over to the police for investigation. A student making a false report will also be subject to disciplinary action.

**If you choose not to enroll in the Chromebook Damage/Loss Program, you will be responsible for the full cost of repair due to damage or replacement of the Chromebook.**
