

High School Graduation Requirements

The Edmonds School District Board of Directors will establish graduation requirements which, at a minimum, satisfy those established by the State Board of Education. The board will approve additional graduation requirements as recommended by the superintendent. Graduation requirements in effect when a student first enrolls in high school will remain in effect until that student graduates. The board will award a regular high school diploma to every student enrolled in the district who meets the requirements established by the district. Only one diploma will be awarded with no distinctions being made between the various programs of instruction which may be pursued.
