

Construction Design

Facilities will be designed to accommodate the educational, instructional and operational needs of the district. The professional experience and judgment of staff will be used in developing such educational specifications. The law requires that special attention be given to the accessibility to the education program by students covered under the Americans with Disabilities Act (ADA). The superintendent will see that all construction projects comply with the requirements for accessibility to individuals with disabilities and gender identity.

The district shall comply with all applicable laws and regulations.
