MEMORANDUM

TO: Board of Directors   X   Single Reading (Action Recommended)

FROM: Nick Brossoit \_\_\_\_\_ First Reading (No Action Recommended)  
Superintendent \_\_\_\_\_ Second Reading (Action Recommended)

SUBJECT: Resolution #09-05: Interlocal Cooperative Agreement with NW Educational Service District #189 for Educational Services at the Snohomish Discovery Program

RECOMMENDATION:

Approve Resolution #09-05, authorizing the Superintendent to enter into an Interlocal Cooperative Agreement with NW Educational Service District #189 for Educational Services.

BACKGROUND:

This agreement is established to provide special education programs and services at the Snohomish Discovery program for students from participating school districts with severe behavior disorders. This educational setting has been determined by a multidisciplinary team to be the appropriate placement for the student. Edmonds School District will be responsible for paying for costs in excess of revenue received by the serving district. The district currently has 1 student enrolled in the program, and anticipates having 1 student enrolled in 2008-09.

This interlocal agreement was previously approved by the school board on April 8, 2008. This is a revision to the interlocal agreement that includes the following two new provisions under "District Responsibilities":

- Waiving any locally established procurement requirements that are more restrictive than those established by statute for district fees paid to NWESD for use in the cooperative program.
- Providing prior written notice to the NWESD Assistant Superintendent for Finance and Compliance if the district will use federal funds for payment of any related cooperative fees. (This will assure the District and NWESD can proactively explore and meet any federal procurement requirements. This does not prohibit the use of federal funds—rather assures that the proper process and documentation is maintained relation to SAO's requirements, without placing the more cumbersome process on all agreements/contracts).
