### Information

#### Subject

Interdistrict Cooperative for Special Education Services with Renton School District

#### Recommendation

It is recommended that the Board of Directors approve the addition of Renton School District to the existing Interdistrict Cooperative Agreement for special education.

#### Background

The Board of Directors previously approved the Interdistrict Cooperative Agreement for special education for a five-year period, beginning with the 2006-2007 school year and expiring at the end of the 2010-2011 school year. This agreement establishes guidelines for Edmonds School District to provide special education services to students from other districts. The sending school district agrees to pay for costs in excess of revenue received by Edmonds School District.
