

Summertime Support Group for LGBTQQIA Teens 13-17

Are you a teen aged 13–17 who self-identifies as Lesbian, Gay, Bi, Trans, Gender-Nonconforming, Queer, Questioning, Intersex, and/or Asexual? The YWCA is creating a comfortable and supportive environment where you can talk candidly about the things that matter to you this Summer—including sexual orientation, gender identity and gender expression, bullying, issues with families and friends, transitioning, and coming out. Join us and become empowered! Find support and brainstorm on how to create ongoing support for yourself and your peers. Information on additional local and broader sources of support will be available and the YWCA will provide afternoon snacks.

This group will be facilitated by YWCA masters level counselors and will meet for 8 weeks. Participants must pre-register and begin by Week 2 when we'll close the group to new members.
