

Arts Enrichment Programs

Bright Avenues School is a 501(c) (3) nonprofit offering extra-curricular integrated arts programs to students in grades K-8.

Drama Music Dance Visual Arts

Bright Avenues' Arts Enrichment classes provide unique after-school and homeschool enrichment classes in vocal and instrumental music, drama, visual art, and dance.

All of our classes incorporate curriculum for Social and Emotional Learning and organizational (executive functioning) skills with the artistic teaching.

Our program model provides extraordinary creative opportunities that meet the needs of children with a wide range of abilities. Classes are divided in general by age, however each student's abilities and needs are taken into consideration when determining class placement.

Parents and teachers work collaboratively to ensure a uniquely challenging and enriching experience for each student. Every student is given individualized attention within our small ratio classes.

Tuition

Bright Avenues School is committed to creating access to its programs for an economically diverse student population. In order to support this diversity, the school has established a tuition assistance program for families who may need supplementary financial aid in order to afford tuition. Full tuition for each 1 ½ hour class is \$25.

A \$25 annual registration fee is due at the time of enrollment. Registration for additional children from the same family/household is \$10 each.
