

# **NATURE SCENE INVESTIGATORS (NSI)**

## **NON-SCHOOL DAY MINI-CAMP FOR AGES 6-12**

Get together with other kids and have hands-on fun with science and nature on your day off school! Learn about animal tracks and practice using a compass. Explore predator-prey relationships and animal survival strategies. Discover nature's own recycling program and earn your Nature Detective badge. Meet at the Anderson Center and walk to nearby parks. Bring a healthy sack lunch and dress for the weather.

Instructor, Michelle Bear, Interpretive Specialist.
