Confidence

Becoming a part of a team is a privilege. Few people ever get the opportunity to experience the support of teammates and friends in the crucible of the competitive arena.

A team lifts and elevates the performance of an individual to heights never before achieved. Each Individual will recognize their responsibility to the team.

Come join the fastest growing sport in the United States and the fastest sport on two feet. Lacrosse is the first American sport in the United States shared with us by Native Americans, who call this the "Creator's" game. We honor the game by teaching our players about respecting themselves, family, friends, teammates, and the community

"THE EAGLES NEST"

The Eagles have a section at the Comcast Arena dedicated to our team. So come join us in the "Eagles Nest" as we cheer on the Stealth games where you can meet some of the players and maybe get to play an exhibition game during halftime!

Edmonds Youth Sports is a non-profit volunteer organization that offers Lacrosse to children ages 5 to 15 in our community. We are an independent organization, and because of our independence, the organization relies heavily on sponsorships and donations to help offset the costs of expenses such as equipment, insurance and scholarships. It is only through the generosity and support of the community that we are able to fund this valuable youth program.
