Our cheer program is for girls ages 7-14 years. Practices will start the beginning of August and run until mid-November. Practices will typically be 2x per week in the evening. We will cheer for the Lynnwood Royals JR Football team, both home and away games. We will also encourage the cheer team to continue into Winter cheering at our "feeder" basketball games. Additional costs for Winter cheer TBD.

The Lynnwood Youth Sports Association is a non-profit organization dedicated to providing structured sports programs for youth in the Lynnwood area. We are a "High School Feeder" model in which our organization is committed to providing an opportunity for every youth participant, ages 5-14 to learn team play, while focusing on community participation and working closely with our local high school programs. With more than 250 children enrolled in our programs, it's more important than ever that L.Y.S.A. provide teams and groups for children seeking a healthy, active lifestyle.
