PONY BASEBALL seeks to instill in its participants the ideals of good sportsmanship, honesty, loyalty, courage, discipline, and respect for authority. Also, that the youth of the area will grow to be citizens whose adult lives will reflect those values. These objectives will be reached by providing the highest quality of supervision and competitive games. The supervisors shall bear in mind at all times that the attainment of exceptional athletic skill or the winning of games is secondary to the players' well being. It is the philosophy of MTYAA Baseball to have its coaches teach all players all aspects of the game of baseball.
