

WESCO Youth Basketball League  
Meadowdale Mavericks  
Boys Feeder Basketball 2012-2013

Try outs are coming for Meadowdale Mavericks Feeder Boys Basketball! This is a feeder program designed for the more serious players in 5th through 8th grade who will be attending Meadowdale High School in the future.

The program will be supported by basketball coaches and players from the Meadowdale High School, giving young players the opportunity to develop into the competitive high school system.

These feeder teams are part of AAU basketball and play in the Wesco Youth Basketball League, where they compete against other area high school feeder teams.

## TRY OUTS
