

Meadowdale Girls Feeder Basketball

Lady Mavs 6th grade 2012-2013

The Lady Mavs 6th Grade Feeder Basketball team is looking for a few more players to complete their team. This program is designed for more serious players in 6th grade who are attending schools that feed into Meadowdale High School OR who live in the Meadowdale High School service area.

The program is designed for the advanced player that wants to play at a competitive level, and learn the "Meadowdale Way".

Teams are part of AAU basketball and play in select team tournaments and the Wesco Youth Basketball League, where they compete against other area high school feeder teams.

Contact the coaches ASAP for consideration and information/time for a tryout. Teams are currently being formed. Email: kessfour@comcast.net and meadowdalemom@gmail.com

Or call Lisa Valadez at 206-819-7195
