

Fall Youth Soccer Academy

For all boys & girls ages 7-11 (U8-U12 this fall)

Northwest Nationals Premier Soccer Club is offering a Fall Player Development Academy for kids ages 7 to 11. We invite all dedicated young players looking to improve their game in a *fun and challenging environment* to join us.

 Sessions will be directed by Northwest Nationals Coach Kim Plumis, and led by other licensed coaches from our staff. Our professional coaching staff has developed players that have enjoyed success at the highest levels, including the NAIA, NCAA Divisions I, II and III, the United States National Teams, and the FIFA World Cup.

 Our curriculum is designed to develop the fundamental skills & techniques essential to moving your child's game to the next level.

 Training will include ball mastery, shooting, passing & receiving, and small sided tactical games.

 Open to kids from all levels of play – recreational, select or premier. Questions? Call 425-744-8049 or email us at info@nwnationals.org
