The **Northwest Nationals Premier Soccer Club** invites boys and girls, ages U8 and U9, to participate in an exciting new Washington Youth Soccer Regional Club League (RCL) Junior Academy Program this spring.

The Junior Premier program is a unique opportunity for recreational or select players to develop their technical abilities, gain game experience, and receive premier-level training with Northwest Nationals licensed coaches.

Program Details

- This is a no-cut program offered to all U8 and U9 players eligible in the South Snohomish County Youth Soccer Association.
- Training groups will be formed during placement day and will be based as much as possible on neighborhood location to facilitate car pools and playing with friends.
- Players can participate in the Jr. Premier program and still play on their current spring league teams!
- Training will expose players to general body coordination and movement skills, age appropriate soccer skills and small group soccer strategies.
- Weekend matches with adjacent RCL Club Junior Academy programs allow new skills and strategies to be tried and tested.

Coaching Staff:

Our staff will feature licensed, experienced and age appropriate coaches.
