& locations. We will also
offer walk-up registration
at the field.

The *Northwest Nationals Premier Soccer Club* invites boys and girls ages 8 - 14 to attend our upcoming tryouts for the 2014-2015 season.

Our goal is to put players in an environment with age-appropriate curriculum in order to develop all aspects of their game: technical, tactical, physical, and mental. Our club is for the premier and highly committed player that aspires to take their game to the highest level possible. We are about helping youth players develop a high level of confidence in their soccer ability that will carry over positively into all aspects of their lives.

The quality of our coaching staff is outstanding. Most have years of experience working with youth soccer teams, and are former collegiate players. Some have played professionally & internationally, and have coached at the collegiate level. We are fortunate to have such a dedicated group of coaches working with our players.

Being a player for NW Nationals is a great experience and we hope you will consider attending tryouts. If you have any questions regarding tryouts or premier soccer in general, please feel free to contact us.

See you on the pitch!

Coaching Assignments for the 2014-2015 season will be posted on the website as they are confirmed.
