NW Jrs Mini-Volley Program

Northwest Juniors Volleyball Club was established in 1972 and offers volleyball programs for 10-18 year old athletes throughout the year. We are now offering a new program for boys and girls ages 5-10.

Our Mini-Volley program is an outstanding opportunity to introduce volleyball to boys and girls ages 5-10.

Participants will learn the basic fundamentals of volleyball and also play some fun games that keep them moving and thinking. We use lighter balls, smaller courts and lower nets and teach in smaller groups in order to maximize touches and improve basic skills.

The training session will begin in June and run for 8 weeks. There will be two 90-minute sessions each week. Practices are scheduled for Monday & Wednesday evenings (after 6 PM). Athletes will be taught by a head coach and current NWJrs Volleyball Club Members.

Currently plans are to enroll up to 32 kids in the **Northend** (Lynnwood, Edmonds, Mill Creek, Everett, Lake Stevens, and Bothell). Registration is first come, first served until we fill all of our openings.

Cost: \$350 per player (that's about \$20 per session).
