

**Shoreline Community College** presents

## Biotech Summer Camps for High School Students

**June 22-26, 2015**

### **I. Introduction to Biotech:**

Recommended for up-coming 9<sup>th</sup> & 10<sup>th</sup> graders to provide basic biotech training

- ▶ *DNA & micropipetting basics*
- ▶ *Hands-on lab experience*
- ▶ *Molecular biology and biotech skills*
- ▶ *Discussions with scientists*
- ▶ *Using computers to view molecules*

**July 6-10, 2015**

### **II. Biotechnology & Human Health:**

For students with biology or biotech lab experience, including 2014 camp & "Introduction to Biotech" alumni

- ▶ *Advanced lab procedures*
- ▶ *Computer-based DNA analysis*
- ▶ *Biotech & human health career exploration*
- ▶ *Biotech use in global & personal health*
- ▶ *Biotech company/institution tours in Seattle*

---

**When and where is camp?** June/July 2015 on the Shoreline Community College campus  
9 am until 4 pm – Monday through Friday  
Only 24 spots per camp available on a first come, first served basis!

**What does it cost?** \$225 per Edmonds SD student per camp for the first 20 students who apply. (\$425 per student per camp beyond the first 20 applicants.)  
A limited number of financial need-based scholarships are available from Shoreline Community College.

**How does one apply?** Online applications available on the Shoreline CC web site.

---

The camp program has been designed and will be taught by experienced educators from Shoreline Community College's Biotechnology Program and scientists/educators from the Seattle biotechnology and research community. We encourage biotech companies and research institutions to become partners by providing camp scholarships and career role models through employee participation.

Providing high school students with hands-on science activities, face time with scientists, exposure to potential careers, and a glimpse of community college life can have a lasting, positive impression.
