# Why join Camp Fire USA?

Camp Fire introduces kids and families to a variety of people, places and experiences within a fun, supportive, club atmosphere.

Camp Fire USA is a national co-ed youth organization serving children pre-school through high school. Our

mission is to build caring confident youth and future leaders. Camp Fire programs involve small groups of children or teens, fostering opportunities for families to build supportive relationships with each other. Camp Fire USA empowers youth to make our world a better place to live. Camp Fire may not solve the problems of the world, but we are helping to raise the kids who will.
