10/26/16 Email sent to **Secondary Administrators** from Debby Carter:

Last Spring, when our calendar was set with the Administrative and Collaborative Wednesdays designations, unintentionally two of the dates for Collaborative (A) times conflict with the designated no meeting days for grading purposes. We are committed to honoring both of the negotiated blocks of time, and as a result, the District, EPA, EMA and EEA have agreed to the following:

- The **November 9** Collaborative (A) time will be removed from this date, making it available for grading.
- The **November 30** Collaborative (B) time will now be designated as Collaborative (A) time.
- The **April 19** Collaborative (A) time will be removed from this date, making it available for grading.
- The **March 29** Collaborative (B) time will now be designated as Collaborative (A) time.

The remainder of the designated dates remain the same. This is for secondary schools only, the elementary Collaborative time designations remain as published on the calendar. Please inform your staffs of the changes. If you have any questions, please contact Brian Stewart of me.
