Designated School Nights  
2015-2016

Below is the list of dates that will be designated specifically for elementary nights, middle school nights, and high school nights. **These designated nights are to assist you in planning events that require attendance from parents that may have children at several levels.**

Based on parent preference, past practice has been to try to designate Thursday nights that do not fall before a holiday or non-student day. \*Remember and please respect, it is important to avoid having designated nights and school evening activities that fall on days of religious celebration and significance (see below to help with September curriculum night planning).
